

## BRILLIANT, LONG-LASTING COLOUR WITH QUANTUM DOT

Unwind with Samsung's new Q60B which features amazing visual quality. The Quantum Dot with 100% Colour Volume lets you experience the full power and impact of every image. Retaining the original impact of colours and visual effects, Quantum HDR is the most defining feature of this model. The Smart Hub allows you to choose your own range of TV Shows, movies, games and ambient screens, all in one place. It's surprising how something so exciting can come ensconced in such a sleek, seamless Airlim design. Before you know it, the Q60B will become an essential part of your life.

### INDUSTRY CERTIFICATIONS

- HLG
- HDR 10
- HDR 10+ Adaptive (32" is compatible)

## Q60B TV HIGHLIGHTS

### 100% COLOUR VOLUME WITH QUANTUM DOT<sup>1</sup>

Quantum Dot technology delivers our finest picture yet on a TV. With Colour Volume 100%, Quantum Dot takes light and turns it into breathtaking colour that stays true at any level of brightness.

<sup>1</sup>100% colour volume measured to DCI-P3 standard, certified by VDE.

### QUANTUM HDR<sup>2</sup>

Quantum HDR brings out the detail and contrast, so you can experience the full power in every image. The dynamic tone mapping of HDR10+ creates deeper blacks, more vibrant imagery, and detail you will enjoy.

<sup>2</sup>The range of Quantum HDR luminance is based on internal testing standards and subject to change according to viewing conditions or specifications.

### AIRSLIM

Mind-blowingly slim design that you can appreciate makes your TV blend into the wall seamlessly.

### SMART HUB<sup>3</sup>

Samsung's new Smart Hub puts content curation and discovery front and center, so you spend less time searching and more time streaming movies, games, and shows. With three categories—Media, Game, and Ambient—Samsung optimizes your TV experience based on how you use your TV.

<sup>3</sup>Content services and recommendation may vary by regions. Agreement of the Smart Hub Terms and Conditions and Privacy Policy is required before use. Some services are available to watch after registration and subscription.

## PICTURE

### QUANTUM PROCESSOR LITE 4K<sup>4</sup>

Samsung's powerful processor that optimizes sound to viewing condition. Powerful 4K upscaling ensures you get up to 4K resolution for the content you love.

<sup>4</sup>Viewing experience may vary according to types of content and format. Upscaling may not apply to PC connection and Game Mode.

### DUAL LED

Innovative backlighting technology delivers bolder and more accurate contrast, optimizing the backlight colour tone to match the type of content being watched.

### MOTION XCELERATOR

Experience clear picture and performance as the Motion Xcelerator automatically estimates and compensates frames for the source of content.

### FILMMAKER MODE

Filmmaker Mode allows home viewers to choose a more cinematic experience, and enjoy film and television shows as they were intended to be seen by the people who made them.

## SOUND

### OBJECT TRACKING SOUND LITE (OTS LITE)

A 3D surround sound with our virtual top channel audio will allow you to be fully immersed in the audio experience.

### Q-SYMPHONY<sup>5</sup>

Surround yourself with sound from TV and soundbar orchestrated in harmony. Q-Symphony uniquely allows TV and soundbar speakers to operate simultaneously for better surround effect without muting TV speakers.

<sup>5</sup>Check for Q-Symphony compatibility on soundbar product specifications. Soundbar is sold separately.

### ADAPTIVE SOUND

Adaptive sound has audio scenic intelligence that optimizes sound based on real time scene analysis by content type.

### DOLBY ATMOS<sup>®</sup>

Samsung's new top channel speakers deliver a next level Dolby Atmos experience that will immerse you in the action with multi-dimensional sound. With the addition of Samsung's top channel speakers and Dolby Atmos, Neo QLED delivers an incredible audio experience.

## DESIGN

### SOLARCELL REMOTE

With a solar panel on its back that you can use for charging, you don't need to use disposable batteries anymore. Also, you can enjoy new smart features such as a built-in microphone with a voice assistant, so it is innovative in more ways than one.

### ADJUSTABLE STAND

Adjust height and space of your TV stand without space constraints. It is also just the right stand to perfectly fit your Samsung soundbar.

### AMBIENT MODE<sup>6</sup>

Watch your TV blend into the walls of your home. It's no mere decoration, because even in ambient mode, your TV is ready to push and pull useful information and entertainment whenever you need it.

<sup>6</sup>Background feature accuracy may vary based on TV location, dependent on wall designs, patterns, and/or colours.

### BOUNDLESS SCREEN

A sleek and elegant design that draws you into the picture. Crafted with an effortless minimalistic style from every angle and a boundless design that sets new standards, you will see our most immersive cinematic-like experience yet.

## EXPERIENCE

### SMARTTHINGS<sup>7</sup>

Let your TV automatically detect and instantly connect all your devices near your TV. SmartThings not only supports mobile/cam/IoT/Smart appliances but also supports legacy appliances. You can control devices directly with remote or voice when watching TV.

<sup>7</sup>Available technology, functions and features may vary by country, service provider, network environment or product, and are subject to change without notice. Requires a Wi-Fi, Bluetooth or other wireless network connection and devices registered to SmartThings app. Connected devices are sold separately.

### VIDEO CALL APPLICATIONS<sup>8</sup>

Connect your video call applications seamlessly to your screen and spend time with your loved ones on a bigger screen. With wider partnership with Google Duo and Microsoft teams, you can have the option to pick and choose your preferred application. Also, now you can connect your own mobile camera in addition to Samsung SlimFit cam and Logitech webcam, which makes accessing video calling easier.

<sup>8</sup>Additional compatible Samsung SlimFit cam, compatible Logitech webcam or mobile camera required. Sold separately.

### SMART TV POWERED BY TIZEN™

As the centerpiece of your home, Samsung Smart TV Powered by TIZEN is dedicated to giving you access to a world of content beyond streaming, so you can schedule recordings, search, and game, all while connecting to more devices across your home.

### SAMSUNG TV PLUS<sup>9</sup>

Enjoy free live streaming TV content on Samsung TV Plus. Choose from a variety of channels offering content for all interests. No need to ask your friend which content is hot these days. Just tune in to Samsung TV Plus and find out.

<sup>9</sup>Channels may vary by country and are subject to change without notifications. Supported Samsung devices may vary by country.

### MULTI VIEW<sup>10</sup>

Watch what's on your TV and your mobile on the same screen at the same time. Whether it's live stats for sports or cheat videos for games, simply connect your phone and multi-screen to see both simultaneously. You can also enjoy optimized multi-tasking such as ultrawide game and vertical state, and simply add-up content to watch it all simultaneously or make your own combination.

<sup>10</sup>Supports Android OS and iOS based smartphone.

### TAP VIEW<sup>11</sup>

Mirroring movies or music from your mobile to TV is as simple as a tap. When you tap your TV with your mobile, the TV senses the tap and mirrors it automatically. So it's quick and easy to switch to the TV and continue enjoying your favourite content.

<sup>11</sup>Tap View is available on Samsung Galaxy devices with Android OS 8.1 and higher.

### PC ON TV<sup>12</sup>

The more screens, the better. Now everyone in the house can work from home without having to worry about a screen. Access your PC, laptop and mobile seamlessly on your TV.

<sup>12</sup>Compatible with certain PC and mobile devices. For a complete list of compatible devices, please refer to [samsung.ca](http://samsung.ca) for more information.

### MULTIPLE VOICE ASSISTANTS<sup>13</sup> (BIXBY, AMAZON ALEXA, GOOGLE\*)

Choose your favourite voice assistant; Bixby, Amazon Alexa or Google Assistant. For the first time, all are built into your Samsung TV to provide the optimal entertainment experience and advanced control in your connected home.

<sup>13</sup>Samsung may at any time and in its sole discretion without prior warning or notice change the voice assistant services or suspend and/or cease providing the voice assistant services or any part of the voice assistant services. Content, TV services and capabilities pictured may not be available in all regions and territories. Bixby voice commands recognize English (US/UK), French, Spanish, German, Italian, Chinese and Korean. Not all accents, dialects and expressions recognized. Amazon, Alexa and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Google is a trademark of Google LLC.

### WORKSPACE<sup>14</sup>

Discover more of what you can do. Easily access your PC, Laptop, and mobile seamlessly on your TV.

<sup>14</sup>Compatible with certain PC and mobile devices. Easy Connection application is available on PCs running the Windows 10 OS. Samsung DeX is supported on selected Galaxy, Note, and Tab devices. Most functions of Workspace can be used by connecting the keyboard and mouse to the TV.

### SAMSUNG HEALTH<sup>15</sup>

New eco on TV that comes with better lives. Master your exercise with camera-powered coaching, keep track of your daily stats synced from Samsung Health application and access content from leading fitness and mindfulness industry partners, all in one place.

<sup>15</sup>Smart Trainer support devices may vary by country. Partners and content may vary by region.

### AUTO LOW LATENCY MODE (ALLM)<sup>16</sup>

Get into the game faster with Auto Low Latency Mode (ALLM) which optimizes your screen so you can have more control with barely noticeable input lag. Experience smooth gaming in its most impressive form without motion blur and judder.

<sup>16</sup>Low input lag is measured based on internal testing conditions and it is subject to change according to game setting or specific conditions.

### SUPER ULTRAWIDE GAME VIEW & GAME BAR 2.0<sup>17</sup>

Bigger and wider TV screens with 21:9 and 32:9 ratios allow you to have more viewing area and give you best gaming experience for winning. Also, display Game Bar allows you to optimize your gameplay with a comprehensive menu, such as screen ratio adjustment, input lag check, FPS, HDR, wireless headset and more.

<sup>17</sup>Super Ultrawide GameView is available for ultra wide supported games and PC games only. Some game titles may not support or be limited in the use of this function.

Screen resolution change from external device may be required. Zoom-in mode is available for 21:9, 32:9 resolution.
